

## Job Title: Agricultural Teacher and FFA Advisor

Wibaux Public Schools is seeking a dynamic and dedicated Agricultural Teacher to join our team and serve as the FFA Advisor. This position is an integral part of our school community, contributing to the education and development of students in a small rural setting. The successful candidate will be passionate about agriculture, possess effective teaching skills, and have a strong commitment to the success of the FFA program.

### Teaching:

- Design and deliver engaging and comprehensive agricultural education curriculum for junior high and high school students.
- Foster a positive and inclusive learning environment that encourages student participation and critical thinking.
- Utilize diverse teaching methods to accommodate different learning styles.
- Facilitate practical, hands-on experiences related to agriculture,
- Provide students with opportunities to apply theoretical knowledge in real-world scenarios
- Collaborate with other teachers, staff, and administrators to integrate agricultural education into cross-curricular activities.
- Engage with the local community, agricultural organizations, and industry professionals to enhance students' exposure to real-world agricultural practices.

### FFA Program Leadership:

- Serve as the FFA Advisor, overseeing the implementation and success of the FFA program.
- Coordinate and guide students in various FFA activities, including but not limited to, career development events, leadership conferences, and community service projects.
- Mentor FFA members in developing leadership, teamwork, and communication skills.
- Extended day contract

### Qualifications:

- Bachelor's degree in Agricultural Education or a related field.
- State teaching certification or eligibility for certification.
- Experience in teaching agricultural education at the junior high/high school level is preferred.
- Knowledge of FFA programs and a proven track record of successful FFA leadership.
- Strong communication and interpersonal skills.

Wibaux County High School has approximately 60 students grades 7-12 with Our district has a 4 day work week.

Wibaux, Montana, is a hidden gem of a town nestled in the beautiful landscape of eastern Montana. As a small, close-knit community, Wibaux offers a unique and supportive environment for educators to thrive in their careers, with a low cost of living and access to outdoor activities. Wibaux provides a high quality of life for both individuals and families.

The Wibaux School District is committed to providing a high-quality education to its students and offers a competitive salary. In addition, Wibaux Schools offers EXCELLENT benefits, including full individual health, dental, vision and life insurance and 12 discretionary days. The other great benefit is the district is known for its professional staff, supportive community, and awesome students!

Successful applicants must be properly certified in the state of Montana or be able to obtain proper certification as well as have a favorable state and federal background check.

We believe that Wibaux is the perfect place for passionate educators who want to make a difference in the lives of their students and become part of a welcoming community.
