Dear Counselor,

Home On The Range's mission is to help children, and we are able to do this because of the generous support we receive from the community. Keeping our mission and community in mind, we would like to "give-back" and help your children with their education after graduation.

We are proud to sponsor a \$1,000 scholarship to a graduating senior to use for their college or vocational education. We have enclosed the application and requirements. Please share with your graduating seniors. The completed application needs to be returned to me by April 15, 2024.

Thank you for your assistance, and we wish the best of luck to all your seniors.

Sincerely,

Jolene Obrigewitch
Development Director
