

Elementary Education Teacher Opportunity at Wibaux Public Schools

Location: Wibaux, Montana

Position: K-8 Elementary Education Teacher

Wibaux Public Schools is seeking a dedicated and enthusiastic elementary education teacher to join our team! We are a welcoming and inclusive school community committed to providing high-quality education and fostering a love of learning in our students.

Responsibilities:

- Teach core subjects to students in grades K-8, adapting lessons to meet diverse learning needs and abilities.
- Develop and implement engaging, standards-based lesson plans that promote critical thinking and creativity.
- Foster a positive and inclusive classroom environment that supports social, emotional, and academic growth.
- Collaborate with colleagues, administrators, and families to support student success and well-being.
- Assess and monitor student progress, providing timely feedback and intervention as needed.
- Participate in professional development opportunities to continually enhance instructional practices.
- Engage in extracurricular or co-curricular activities as needed.

Wibaux Public Schools serves approximately 140 students from kindergarten through 12th grade, including about 90 students in grades K-6. Our small class sizes, averaging 13 students, allow for personalized instruction and meaningful connections with students. Additionally, our district operates on a 4-day work week, offering an excellent work-life balance for staff.

Located in eastern Montana, Wibaux is a charming and close-knit community that offers an exceptional quality of life. With its low cost of living and access to outdoor recreation, Wibaux is ideal for individuals and families seeking a peaceful and fulfilling lifestyle. The supportive environment in Wibaux makes it easy for educators to thrive both personally and professionally.

Wibaux Public Schools offers a competitive salary along with an excellent benefits package, including full individual health, dental, vision, and life insurance coverage. Staff members also receive 12 discretionary days annually. Our district is known for its professional and collaborative staff, supportive community, and wonderful students, making it an outstanding place to teach and grow.

Applicants must hold proper certification to teach elementary education in Montana (or be

eligible to obtain certification). Strong teaching skills and a passion for working with elementary-aged students are essential. Successful candidates must also pass favorable state and federal background checks.

At Wibaux Schools, we believe in empowering educators to make a meaningful impact on their students' lives while becoming integral members of our vibrant community.
