

Job Title: High School and Junior High Physical Education and Health Teacher

We are seeking a passionate and qualified Physical Education and Health Teacher to join our academic community in Wibaux, Mt.. The successful candidate will be responsible for developing and delivering engaging and challenging physical education and health programs for both high school and possibly junior high students. There are also coaching jobs available.

Responsibilities:

- Design and implement a comprehensive physical education program that aligns with state and district standards.
- Develop health education curriculum that covers a range of topics such as nutrition, mental health, and sexual health.
- Create lesson plans that meet the diverse needs and abilities of students, utilizing a variety of instructional strategies and technologies.
- Provide students with feedback and evaluate their progress in physical education and health.
- Collaborate with colleagues to develop interdisciplinary projects and initiatives.
- Maintain accurate records of student attendance, participation, and grades.
- Communicate regularly with parents/guardians regarding student progress and performance.
- Create a safe and inclusive learning environment that promotes positive behavior and fosters social and emotional development.

Requirements:

- Bachelor's Degree in Physical Education, Health Education, or a related field.
- Teaching certification in Physical Education and Health Education or willing to work towards getting this certificate.
- Experience teaching physical education and health education to high school and/or junior high students.
- Knowledge of state and district standards for physical education and health education.
- Familiarity with various instructional technologies and strategies.
- Excellent communication, organizational, and interpersonal skills.
- Passion for teaching and promoting healthy habits and lifestyles.

Wibaux County High School has approximately 60 students grades 7-12. The average class size is around 13 students. Our district has a 4 day work week.

Wibaux, Montana, is a hidden gem of a town nestled in the beautiful landscape of eastern Montana. As a small, close-knit community, Wibaux offers a unique and supportive environment for educators to thrive in their careers, with a low cost of living and access to outdoor activities. Wibaux provides a high quality of life for both individuals and families.

The Wibaux School District is committed to providing a high-quality education to its students and offers a competitive salary. In addition, Wibaux Schools offers EXCELLENT benefits, including full individual health, dental, vision and life insurance and 12 discretionary days. The other great benefit is the district is known for its professional staff, supportive community, and awesome students!

Successful applicants must be properly certified in the state of Montana or be able to obtain proper certification as well as have a favorable state and federal background check.

We believe that Wibaux is the perfect place for passionate educators who want to make a difference in the lives of their students and become part of a welcoming community.

If you are passionate about physical education and health education, and are committed to fostering a safe and inclusive learning environment, we encourage you to apply for this position. We offer competitive salary and benefits packages, as well as opportunities for professional growth and development.

If interested please contact the office 406-796-2474 and ask for Annie Begger the Superintendent. The application is also available on our school website <https://www.wibauxschools.net/>.
